### **Day 1: Cape Town - Langebaan**

- ❖ We meet at the airport or at your accommodation in Cape Town and head straight up along South Africa's beautiful West Coast. On our way we will visit "!Khwattu Cultural Centre" where we will learn more about the culture, heritage, knowledge, skills and contemporary life of the San people. We then carry on exploring the beauty of West Coast National Park where we can enjoy a swim in the azure blue lagoon. For Dinner we will visit one of the nice Fish Restaurants, Langebaan has to offer.

### **Day 2: Langebaan / Paternoster**

- ❖ After breakfast we start our day with a small drive through Langebaan before we carry on to visit the West Coast Fossil Park. At the West Coast Fossil Park we will join a guided tour to the well-preserved fossil remains which dates back over 5 million years. Afterwards we carry on to Paternoster where we will enjoy our lunch. In the afternoon we can look forward to a beautiful Kayak Tour on the Atlantic Ocean. (weather permitted)  
In case the weather does not allow a Kayak Tour we will visit the Cape Columbine Lighthouse where we have the opportunity to explore the inside with a panoramic view from the top.

### **Day 3: Paternoster - Cederberg**

- ❖ Today we leave Paternoster early in the morning and make our way to Bird Island Nature Reserve where we have the opportunity to see the rare blue-eyed Cape Gannet up close. After lunch we leave the coastline and continue more inland, into the Cederberg Area. For all Nature lovers, this is the time to look forward to a bush camp with cabins or tents, surrounded by Cederbergs beautiful nature. Look forward to a 100% local Dinner prepared by your Guide.

### **Day 4: Cederberg**

- ❖ Our day begins with scenic Walks and Drives in the Cederberg Area. This Fynbos Region has one of the most intense species and subspecies of plants in the world. The untouched area is home to the Cape Leopard, Baboons, smaller Antelopes, Lynx and an incredible Birdlife. On a clear night you will be able to see shooting stars almost every 10 minutes. A night sky so unspoiled by light pollution, which makes the stars look like diamonds in the sky.

### **Day 5: Cederberg - Riebeeck Kasteel**

- ❖ We leave the Cederberg area today and make our way to Riebeeck Kasteel where we will visit a museum giving us a bit of a historical background about the area. Afterwards we will enjoy a wine tasting at two different wine farms before we make our way to today's accommodation. We will enjoy a relaxed evening on the last night of our tour.

### **Day 6: Riebeeck Kasteel - Cape Town**

- ❖ Before hitting back to Cape Town we will have the last adventure before our journey ends: Enjoy a guided ride on a Quad Bike over open dunes with beautiful white sand similar to the Namibian Desert. After the ride we will make our way back to Cape Town to your own booked accommodation.
