Kids Day Tour

Language: English guided or German guided Tour

Kids and Adults both can look forward to a day filled with fun and excitement. We will enjoy a scenic drive to Cheetah Outreach and Animal Organization Park. Take the opportunity to find out more about Cheetahs and other small rescued predators. You will be able to interact with Cheetahs, the fastest land mammal in the world.

We then carry on to Monkey Town, a primate centre which houses rescued monkeys and apes from all over the world. Enjoy the water park afterwards and experience a traditional South African "Braai" for lunch.
